Judges should satisfy themselves the course and fences are in keeping with the Association's recommendations. Working Show Horse courses are not to be walked by the Competitors until the Judge/s have given permission. In the event of a tie, the Conformation mark will take precedence, followed by the Ride mark, followed by the Style mark. There must be no alteration to the "Marks" without good reason and any alterations must be signed by all Judges. Judges must check the "Marks" are correct, sign the Score Sheets, before the results are announced.

Any horse which has qualified as a Grade A Show Jumper or Advanced Event Horse as at 1st January in the current year is not eligible to compete in Working Hunter Classes. The maximum total points available is 100. Fences to be a minimum of 8 and a maximum of 12 in number and a maximum height of 1.14m (3ft 9ins) at the discretion of the Judges. Fences should have a natural appearance and not be easily dislodged. No un-numbered obstacle can be included in the course. The manner of going to be taken into account. No change of rider or tack will be allowed (unless a horse is ridden under side-saddle, in which case, in order to allow the judge to ride, the saddle may be changed for the riding phase only). A rider can ride up to two horses in the jumping phase but then must select only one horse to take forward into the ride and conformation section if so required (no change of rider is allowed). On completion of the jumping phase all clear rounds and any other horses the judges may require should be asked to return to the ring. If a horse positively stops, ceases to go forwards at any time during its jumping round, or turns its quarters to a fence, or has a complete turnaround these constitute refusals. If a horse jumps the incorrect fence out of a pen or lane it will be eliminated. Horses displaying continued disobedience or horses leaving the ring whether mounted or dismounted will be eliminated.

Heavyweight Mare or gelding, 4 years old or over, capable of carrying over 14 stone.

Horses with minus scores may not be required for the second phase of the Class at the discretion of the judge.. Under no circumstances should a horse with a minus score be in a qualifying position.

If Shows wish, in order to save time, they can use two Judges, one of whom would judge the conformation and need not necessarily be on the Ridden Hunter Panel. It is suggested that the Judge of the Hunter Breeding Classes be asked to judge the conformation of the Working Hunter Class while the other Judge is judging the ride. Horses must not be ridden by the Judge in the same ring and at the same time as other horses are jumping. Suitable fences of natural appearance must be available. Judges will not jump horses in Working Hunter Classes. 40 points are awarded for Ride/Manners and Conformation. If there are two judges, Judge A awards a maximum score of 20 for Ride/Manners, Judge B awards a maximum score of 20 for conformation.

Where there is a separate Judge for the conformation, marks should be divided equally, ie:

Judge A Ride 20%

Judge B Conformation 20%

**In the event of a tie in marks, the conformation mark will take precedence, followed by the ride mark, followed by the style mark.**

Judges should satisfy themselves that the course and fences are in keeping with the Society's recommendations, and Shows should allow time for this. Working Hunter courses are not to be walked by competitors until the judge has given permission.
