## MHCGB AREA 8 SHOW

*10<sup>th</sup> Year anniversary*

Our very first MHCGB Area 8 Show took place on Sunday 2nd June 2013.

It was a fabulous show and very well attended. The show was held at Cannington Equestrian Centre. Jacqueline Webb very kindly judged our very first MHCGB Area 8 show in 2013.

The show had a fabulous, wonderful and friendly atmosphere. Everyone congratulating each other and helping each other out. The MHCGB area 8 show has maintained this wonderful friendly atmosphere at every show and we want to say a massive thank to all of our fabulous competitors that have greatly supported MHCGB Area 8 Shows over the years and made the shows what they are. With out our competitors and their support the area 8 shows would not be possible so huge thank you to you all.

The Supreme Champion of the very first MHCGB Area 8 show in 2013 was the stunning NCF Mystical My Key T shown beautifully by his owner Natasha Bush. Natasha and her family very sadly and tragically lost NCF Mystical My Key T only a year later in 2014 we are heartbroken for their loss. In 2016 Natasha and family very kindly donated a beautiful perpetual trophy to the MHCGB area 8 show in loving memory of NCF Mystical My key T to be awarded to the MHCGB Area 8 supreme Champion. A beautiful tribute to an amazing and very special horse.

The miniature horse has changed a lot in the last 10 years we now have much taller horses competing amongst smaller horses than what we did at our very first shows. Due to this we are now splitting the supreme championships at the MHCGB area 8 shows in to height category's. Category A, Category B and Category C. Natasha and family have wished for their perpetual cup to be donated to the Category A Supreme Champion.

Natasha and family have said the following on winning the very first MHCGB Area 8 Show in 2013 with the beautiful NCF Mystical My Key T.

*They say we all get that one special horse and for our family My Key was.*

*He had presence, attitude and that extra something.*

*For him to win Supreme Champion at the MHCGB Area 8 Show was a dream come true.*

*And My Key T you were truly that.*

### COLOUR CLASSES

Colour Classes are judged on 80% colour, 20% conformation. Horses are walked into the arena and then asked to turn and walk in the opposite direction. Horses are then lined nose to tail in rows, allowing space for the judge to pass between each horse to assess. The horses are trotted at the discretion of the judge.
