STARS CHAMPION OF CHAMPIONS SHOW

We are delighted that the Puddledub Winter (from March), Spring, Summer & Sunday Funday Shows all carry qualification for this fabulous show at Aintree in November.

Qualification would be from the highest points winner from each of 42 categories (assuming there are no changes from Class Classifications from last year).

All the classes at this show that will gain points towards qualification have the STARS logo next to the class number. Please realise that where points are allocated in classes such as Novice, those totals will be separate to the same class category in Open etc

Points Awarded at Puddledub Shows **DOUBLE POINTS AT THE SUMMER SHOW**

1 st	10 points	5 th	2 points
2 nd	8 points	6 th	1 point
3 rd	6 points	Champion	5 points
4 th	4 points	Reserve	3 points

In the case of equal points, the decision as to which horse/pony will represent Puddledub Shows will be at the discretion of the organisers/committee

Abbreviated STARS 2024 Rules

- Rule 1a Qualification will be taken from points accrued over the season which give rise to your champion, reserve champion and 2nd res champion. Each club MUST offer the option of representing their club to each class champion. Should they be unable to attend you may pass down to res champion and 2nd res. Each club is allowed to send 1 competitor for each class. If you have 2 competitors with equal marks, then both can enter IF we have capacity, please check with STARS. If we can't accommodate both entries it will be determined by the competitor that attended the most points shows if they both attended the same amount, then send the one that won the most first places.
- 1b Show dates must run between March and September 2024.
- 1c No points show can be held after 17th September 2024
- 1d Entries for STARS will open on 18th September and close on October 2nd, 2024.
- Rule 2a All RC's must hold a minimum of 4 points shows in 2024. i
- 2b All competitors must attend a minimum of 2 points shows.
- In addition to the above rules, we have noticed that many RC's run a non-points trophy show mid-season, can we ask if possible that your trophy shows be held in September so that all show secretaries have plenty of time to invite their competitors to represent them at STARS, this also enables each competitor to know if they have qualified when entries and stabling opens on September 18th.
- Rule 3 Any competitor may compete in more than 1 class at STARS providing they meet the criteria for each class. Each competitor can represent as many RC's as they want.
- Rule 4 Competitors must be current members of each club/club they represent.
- Rule 5a It is a condition of affiliation that all RC secretaries keep records of their points for each class and a running points total sheet must be available at each show or online throughout the season, for competitors and STARS admin. At STARS final these sheets need to be always available.
- Rule 6 No change of combination of horse/pony/rider is permitted from that which qualified through their club. The leader of a LR pony may be substituted under exceptional circumstances arise with permission from STARS.
- Rule 7a No horse or pony can compete at STARS if they have qualified HOYS in any class including search for a star in 2024 or 2023.
- Horses and ponies that qualified HOYS in 2022 are eligible provided they were not placed. Search For a Star placings are allowed...
- Rule 7b Riders/handlers cannot have ridden/led any animal at HOYS in 2024, riding /leading any other year is permitted.
- Rule 8 No horse or pony that has been placed in the top 5 at the RIHS in current year can compete at STARS. Riders can compete on a different horse or pony.
- Rule 9a No professional producers can compete at STARS, or any horse or pony that is in, or has been in production from March 1st, 2024. The definition of a professional producer is as follows: The horse or pony is kept at a producer's yard on show production or for any other reason including being broken, holiday livery ect. The horse or pony is prepared for a show, bathed plaited etc, horse or pony has been taken to a show. Horse or pony has been worked in or tuition given to owner / rider at a show. Horse or pony stripped, or assistance given in the ring. If any of the above apply to your horse, then they are not eligible to come to STARS.

We do allow full livery on a professional yard provided it is NOT a showing yard. We understand some people work long hours need full livery inc exercise, however no-show production of any kind is allowed.

Rule 9b Semi Professionals, any competitor that shows 2 or more animals for other people regardless of if you take payment for your services or not, we class you as a semi-professional. Semi-professionals are not eligible to compete at STARS. We do not mind how many horses or ponies you show if they belong to you, and we do not want to stop friends from helping each other but it cannot be more than 1 friend.

9c No competitor can have shown a horse or pony that belongs or is produced by a professional producer at any show in 2024.

STARS was created for the home produced, amateurs and true grassroot competitors. We ask people to take this rule in the spirit intended and we will disqualify anyone who we feel is bending the rules. If we feel any situation is a grey area and not fully covered by our rules, then each case will be determined by STARS and our decision will be final.

Rule 10

Rule 11 Social media rules: You must not post or transmit any material which could dame the name or reputation of STARS or its competitors/organisers. Any person found guilty of this would constitute a breach of STARS rules and could result in civil/criminal proceedings being brought against you.

Rule 12 Any stallions must be ridden / handled by a competent person with a minimum age of 14.
