Dear Competitors

Welcome to you and thank you for being patient waiting for the 2024 schedule ... running 8 Winter shows in 6 weeks took more time and energy than I had banked on!

Having been privileged to have been the very first show to run the London International Horse Show qualifiers last year, and those who qualified doing so well at what was the most amazing ring at "Olympia" it was disappointing to only be awarded two classes this year, but hope our little Cradle & Nursery Stakes competitors will once again do us proud in London at Christmas.

NEW this year is an idea I have been working on for a while and now offer you our Future & Potential judges classes ... please look at Classes 97 to 99 for details

With this year sadly being the very last Blair we are proud to once again be hosting all the qualifiers, from NPS, to Ridden Clydesdales, Working Hunters and BSPS Training Stakes. We expect these classes to be well supported and will be watching the Workers entries as they come in and may have to cap entries as there are only so many rounds we can do before we lose light, but with 2 judges for all but the RIHS Working Show Horse & Working Hunter we will crack on as fast as we can

Following four very successful trips to Aintree STARS Champions of Champions Show with our Puddledub team, we are again collating points from most classes in this schedule. Details further down in the schedule

As with all Puddledub Shows the first 2 in all classes (apart from the Handler & Future Judges sections) and all Champions & Reserves will also qualify for the Caledonian Showing Championships ... now the end of season highlight for many

As always we ask you to be considerate with your parking and park where requested by the parking assistants and as close as is safe and practical to your neighbouring lorry/trailer. Please also pick up any droppings from around your lorry/trailer

We hope you enjoy this year's Puddledub Spring Show (our 16th) and we would be delighted to hear any feedback you may have of the venue, schedule, classes etc.

Abbreviated STARS 2024 Rules

- Rule 1a Qualification will be taken from points accrued over the season which give rise to your champion, reserve champion and 2nd res champion. Each club MUST offer the option of representing their club to each class champion. Should they be unable to attend you may pass down to res champion and 2nd res. Each club is allowed to send 1 competitor for each class. If you have 2 competitors with equal marks, then both can enter IF we have capacity, please check with STARS.
If we can't accommodate both entries it will be determined by the competitor that attended the most points shows if they both attended the same amount, then send the one that won the most first places.
- 1b Show dates must run between March and September 2024.
- 1c No points show can be held after 17th September 2024
- 1d Entries for STARS will open on 18th September and close on October 2nd, 2024.
- Rule 2a All RC's must hold a minimum of 4 points shows in 2024. ;
- 2b All competitors must attend a minimum of 2 points shows.
In addition to the above rules, we have noticed that many RC's run a non-points trophy show mid-season, can we ask if possible that your trophy shows be held in September so that all show secretaries have plenty of time to invite their competitors to represent them at STARS, this also enables each competitor to know if they have qualified when entries and stabling opens on September 18th.
- Rule 3 Any competitor may compete in more than 1 class at STARS providing they meet the criteria for each class. Each competitor can represent as many RC's as they want.
- Rule 4 Competitors must be current members of each club/club they represent.
- Rule 5a It is a condition of affiliation that all RC secretaries keep records of their points for each class and a running points total sheet must be available at each show or online throughout the season, for competitors and STARS admin. At STARS final these sheets need to be always available.
- Rule 6 No change of combination of horse/pony/rider is permitted from that which qualified through their club. The leader of a LR pony may be substituted under exceptional circumstances arise with permission from STARS.
- Rule 7a No horse or pony can compete at STARS if they have qualified HOYS in any class including search for a star in 2024 or 2023.
Horses and ponies that qualified HOYS in 2022 are eligible provided they were not placed. Search For a Star placings are allowed...
- Rule 7b Riders/handlers cannot have ridden/led any animal at HOYS in 2024, riding /leading any other year is permitted.
- Rule 8 No horse or pony that has been placed in the top 5 at the RIHS in current year can compete at STARS. Riders can compete on a different horse or pony.
- Rule 9a No professional producers can compete at STARS, or any horse or pony that is in, or has been in production from March 1st, 2024. The definition of a professional producer is as follows: The horse or pony is kept at a producer's yard on show production or for any other reason including being broken, holiday livery ect. The horse or pony is prepared for a show, bathed plaited etc, horse or pony has been taken to a show. Horse or pony has been worked in or tuition given to owner / rider at a show. Horse or pony stripped, or assistance given in the ring. If any of the above apply to your horse, then they are not eligible to come to STARS.
We do allow full livery on a professional yard provided it is NOT a showing yard. We understand some people work long hours need full livery inc exercise, however no-show production of any kind is allowed.
- Rule 9b Semi Professionals, any competitor that shows 2 or more animals for other people regardless of if you take payment for your services or not, we class you as a semi-professional. Semi-professionals are not eligible to compete at STARS. We do not mind how many horses or ponies you show if they belong to you, and we do not want to stop friends from helping each other but it cannot be more than 1 friend.
- 9c No competitor can have shown a horse or pony that belongs or is produced by a professional producer at any show in 2024.
STARS was created for the home produced, amateurs and true grassroot competitors. We ask people to take this rule in the spirit intended and we will disqualify anyone who we feel is bending the rules. If we feel any situation is a grey area and not fully covered by our rules, then each case will be determined by STARS and our decision will be final.
- Rule 10
- Rule 11 Social media rules: You must not post or transmit any material which could damage the name or reputation of STARS or its competitors/organisers. Any person found guilty of this would constitute a breach of STARS rules and could result in civil/criminal proceedings being brought against you.
- Rule 12 Any stallions must be ridden / handled by a competent person with a minimum age of 14.

Future & Potential Judges

Entry Fee: £10 for horse/pony

Entry Fee: £5 per future/potential judge (or free of charge if also offer to steward)

This is a new concept that we have been working on to try and help those competing in Young Judges competitions or hoping to step in the ring to judge either at unaffiliated level or going for assessment for panels.

To be judged by one or more future or potential judges who will be mentored in the ring by experienced and panel judges. There will be several sets of rosettes available for individual or groups of future judges to award. Classes will run as per usual classes, but may take a little bit longer as the future/potential judges are given help and advice as the class progresses. However, we would be grateful entries to help us help the future of showing ... plus you could win several rosettes for one class, and we are offering a very reduced entry fee to encourage you, but entries will possibly be capped.

For our Future and Potential Judges, we hope to give you the opportunity to actually stand in the middle of the ring and judge for yourselves, rather than just standing and observing at the side of the ring. We will give a set of rosettes to each/small group of judges so that you can award your placings. There will be experienced panel judges and stewards in the ring with you.

As this is new please bear with us if we tweak and change things slightly to ensure we give all judges and competitors the best learning experience, and we also hope that is successful we can roll this out at other shows.

Any questions please call Fiona on 07714 702417 for a chat

CLASS 97 **FUTURE & POTENTIAL JUDGES - INHAND**, any age. Any breed or type.

CLASS 99 **FUTURE & POTENTIAL JUDGES – RIDDEN HORSES**, mare or gelding 4yo and over. Any breed or type.

Please Note that all the above may be tweaked slightly – as a new concept we will adapt to ideas and amount of interest
